A Dash of Style: The Art and Mastery of Punctuation ...

A short, practical book, filled with original exercises, A Dash of Style teaches writers the benefits that can be reaped from mastering punctuation, such as word economy, enhanced style, clarity, progression and intention. Along with the major marks (the period, comma, semicolon, colon, quotation marks, the dash and parentheses) the book examines little-scrutinized marks such as the paragraph break and section break, and finally considers how they all might be used together in “The ...

A Dash of Style – LUKEMAN LITERARY

Noah Lukeman, A Dash of Style: The Art and Mastery of Punctuation (Norton, 2006) Noah Lukeman's three writing guides (The First Five Pages, The Plot Thickens, and this one) are wonderful little oases of good, old-fashioned common sense in a twisted thicket of how-to-write tomes. They are small, to the point, and quietly sure of themselves.

A Dash of Style: The Art and Mastery of Punctuation by ...

In last month's excerpt from my book, A Dash of Style: The Art and Mastery of Punctuation, we discussed different ways to use the period. This time, we'll examine a few of the dangers of overuse. There is a major distinction between using periods heavily for a stylistic purpose (as explored in last week's installment) and overusing them, which results in poor writing.

In celebration of the paperback release of Noah Lukeman's seminal guide to punctuation, A Dash of Style, The Writers Store is pleased to present a four part series of excerpts from the book. Some authors, like Camus, Carver and Ernest Hemingway, used the period frequently.

A Dash of Style: The Period - Writers Store

In last week's installment of my book, A Dash of Style: The Art and Mastery of Punctuation, we began to discuss ways that quotation marks might be misused. In this final installment, we'll examine this issue in depth, and also look at the power of quotation marks when used in context with other punctuation.

dash of style - French translation – Linguee

About Dash of Style. Dash of style is an image consultation and personal shopping firm designed to pamper and spoil you. With everyone's increasingly demanding schedules and commitments you might find less and less time to devote to your personal needs.

Dash of Style - Dress & Attire - Miami, FL - WeddingWire

The dash is a punctuation mark that is similar in appearance to the hyphen and minus sign but differs from these symbols in length and, in some fonts, height above the baseline.

dash of style - French translation – Linguee

"Takes the straitjacket off punctuation...Lukeman's wit and insight make this an instant classic." —M. J. Rose The first practical and accessible guide to the art of punctuation for creative writers. Punctuation reveals the writer: haphazard commas, for example, reveal haphazard thinking; clear, lucid breaks reveal clear, lucid thinking. Punctuation can be used to teach the writer how to think and how to write. This short, practical book shows authors the benefits that can be reaped from mastering punctuation: the art of style, sentence length, meaning, and economy of words. There are full-length chapters devoted to the period, the comma, the semicolon, the colon, quotation marks, the dash and parentheses, the paragraph and section break, and a cumulative chapter on integrating them all into "The Symphony of Punctuation." Filled with exercises and examples from literary masters (Why did Poe and Melville rely on the semicolon? Why did Hemingway embrace the period?), A Dash of Style is interactive, highly engaging, and a necessity for creative writers as well as for anyone looking to make punctuation their friend instead of their mysterious foe.

Now a Netflix original series starring Austin Abrams and Midori Francis! A whirlwind holiday season romance from the New York Times bestselling authors of Nick & Norah’s Infinite Playlist. “I’ve left some clues for you. If you want them, turn the page. If you don’t, put the book back on the shelf, please.” 16-year-old Lily has left a red notebook full of challenges on her favorite bookstore shelf, waiting for just the right guy to come along and accept its dares. Dash, in a bad mood during the holidays, happens to be the first guy to pick up the notebook and rise to its challenges. What follows is a whirlwind romance as Dash and Lily trade dares, dreams, and desires in the notebook they pass back and forth at locations all across New York City. But can their in-person selves possibly connect as well as their notebook versions, or will their scavenger hunt end in a comic mismatch of disastrous proportions? Co-written by Rachel Cohn (GINGERBREAD) and David Levithan, co-author of WILL GRAYSON, WILL GRAYSON with John Green (THE FAULT IN OUR STARS), DASH & LILY’S BOOK OF DARES is a love story that will have readers scouring bookstore shelves, looking and longing for a love (and a red notebook) of their own.

Carmel Snow, who changed the course of our culture by launching the careers of some of today's greatest figures in fashion and the arts, was one of the most extraordinary women of the twentieth century. As editor in chief of Harper's Bazaar from 1934 to 1958 she championed the concept of "a well-dressed magazine for the well-dressed mind," bringing cutting-edge art, fiction, photography, and reportage into the American home. Now comes A Dash of Daring, a first and definitive biography of this larger-than-life figure in publishing, art, and letters. Veteran magazine journalist Penelope Rowlands describes the remarkable places Snow frequented and the people whose lives she transformed, among them Richard Avedon, Diana Vreeland, Geoffrey Beene, Henri Cartier-Bresson, Cristobal Balenciaga, Lauren Bacall, and Truman Capote. She chronicles Snow's life on both sides of the Atlantic, beginning in nineteenth-century Ireland and continuing to Paris, Milan, and New York City, the fashion capitals of the world. Snow was the daughter of an Irish immigrant, who was herself a forward-thinking businesswoman, and she worked in her mother's custom dressmaking shop before being discovered by the magazine publisher Conde Nast and training under Edna Woolman Chase, the famous longtime editor of Vogue. From there it was on to Harper's Bazaar which, with the help of such key employees as Avedon, Vreeland, and art director Alexei Brodovitch, Snow turned into the most admired magazine of the century. Among the disparate talents who worked at Bazaar in the Snow era were Andy Warhol, the heiress Doris Duke, Maeve Brennan, and members of the storied Algonquin Round Table. Overflowing with previously untold stories of the colorful and glamorous, A Dash of Daring is a compelling portrait of the fashion world during a golden era.

Punctuation can make all the difference between a good piece of writing and a superb piece of writing. In The Art of Punctuation, Noah Lukeman explores and demystifies each punctuation mark in turn. From the punchiness of the full stop to the unacknowledged flexibility of the question mark, the manifold powers of punctuation are revealed in this practical yet engaging guide. All kinds of writers will find invaluable tips to help improve their clarity of thinking and expression of ideas. The Art of Punctuation will teach writers how to use punctuation to the greatest effect, regardless of the context in which they are writing. Real examples from all types of well-known writers past and present are used to illustrate specific points. Each chapter also contains practical exercises to help writers get to grips with their own writing following the advice given in the book, making it ideal of use alongside creative writing courses and for teachers. Written by a well-known and respected author of books on creative writing, The Art of Punctuation is the essential guide to using punctuation creatively and effectively.

NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they’ll actually want to read, from Random House’s longtime copy chief and one of Twitter’s leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness “Essential (and delightful!)”—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House’s copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer’s English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it’s OK to begin a sentence with “And” or “But” and to confidently split an infinitive; and why it’s best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including “very,” “rather,” “of course,” and the dreaded “actually.” Dreyer will let you know whether “alright” is all right (sometimes) and even help you brush up on your spelling—though, as he notes, “The problem with mnemonic devices is that I can never remember them.” And yes: “Only godless savages eschew the series comma.” Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people’s prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer’s English “Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer’s English.”—The Wall Street Journal “Destined to become a classic.”—The Millions “Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He’ll entertain you while he’s at it.”—Newsday
