If you have been lucky enough never to have been hit by a man, Anna Quindlen *Black and Blue* is written so that you can walk in a beaten woman's shoes. No intelligent woman would ever stay with a man who hits her, right? But love does many things to a person and intelligence is usually the first thing that goes.

In Anna Quindlen's novel *Black and Blue*, Fran Benedetto explains, "In the beginning I loved [Bobby]... pure and simple. And then after a while I loved the idea of him, the good Bobby, who came to me every once in a while and rubbed my back and kissed my fingers. And I loved our life, the long stretches of tedium and small pleasures...."

on him, only to be blindsided by a shocking act of violence. What happens afterward is a testament to the power of a woman's love and determination, and to the invisible lines of hope and healing that connect one human being to another. Ultimately, as rendered in Anna Quindlen's mesmerizing prose, *Every Last One* is a novel about facing every last one of the things we fear the most, about finding ways to navigate a road we never intended to travel.

A few times in your life, someone will tell you something so right, so deeply true that it changes you forever. That is what Anna Quindlen, author of the timeless bestseller *A Short Guide to a Happy Life*, does here. In *Being Perfect*, she shares wisdom that, perhaps without knowing it, you have longed to hear: about "the perfection trap," the price you pay when you become ensnared in it, and the key to setting yourself free. Quindlen believes that when your success looks good to the world but doesn't feel good in your heart, it isn't success at all. She asks you to set aside your friends' advice, what your family and co-workers demand, and what society expects, and look at the choices you make every day. When you ask yourself why you are making them, Quindlen encourages you to give this answer: For me. "Because they are what I want, or wish for. Because they reflect who and what I am. . . . That way lies dancing to the melodies spun out by your own

heart.” At the core of this beautiful book lies the secret of authentic success, the inspiration to embrace your own uniqueness and live the life that is undeniably your own, rich in fulfillment and meaning.

This powerful new novel by the bestselling author of *Black and Blue*, *One True Thing*, *Object Lessons*, and *A Short Guide to a Happy Life* begins when a teenage couple drives up, late at night, headlights out, to Blessings, the estate owned by Lydia Blessing. They leave a box and drive away, and in this instant, the world of Blessings is changed forever. Richly written, deeply moving, beautifully crafted, *Blessings* tells the story of Skip Cuddy, caretaker of the estate, who finds a baby asleep in that box and decides he wants to keep her, and of matriarch Lydia Blessing, who, for her own reasons, decides to help him. The secrets of the past, how they affect the decisions and lives of people in the present; what makes a person, a life, legitimate or illegitimate, and who decides; the unique resources people find in themselves and in a community—these are at the center of this wonderful novel of love, redemption, and personal change by the writer about whom *The Washington Post Book World* said, “Quindlen knows that all the things we ever will be can be found in some forgotten fragment of family.”

NEW YORK TIMES BESTSELLER • “Captures the angst and anxiety of modern life with . . . astute observations about interactions between the haves and have-nots, and the realities of life among the long-married.”—USA Today A provocative novel that explores what it means to be a mother, a wife, and a woman at a moment of reckoning, from the #1 New York Times bestselling author of Miller’s Valley and Still Life with Bread Crumbs. Some days Nora Nolan thinks that she and her husband, Charlie, lead a charmed life—except when there’s a crisis at work, a leak in the roof at home, or a problem with their twins at college. And why not? New York City was once Nora’s dream destination, and her clannish dead-end block has become a safe harbor, a tranquil village amid the urban craziness. The owners watch one another’s children grow up. They use the same handyman. They trade gossip and gripes, and they maneuver for the ultimate status symbol: a spot in the block’s small parking lot. Then one morning, Nora returns from her run to discover that a terrible incident has shaken the neighborhood, and the enviable dead-end block turns into a potent symbol of a divided city. The fault lines begin to open: on the block, at Nora’s job, and especially in her marriage. NEW YORK TIMES BESTSELLER A superb love story from Anna Quindlen, the #1 New York Times bestselling author of *Rise and Shine*, *Blessings*, and *A Short Guide to a Happy Life* *Still Life with Bread Crumbs* begins with an imagined gunshot and ends with a new tin roof. Between the two is a wry and knowing portrait of Rebecca Winter, a photographer whose work made her an unlikely heroine for many women. Her career is now descendent, her bank balance shaky, and she has fled the city for the middle of nowhere. There she discovers, in a tree stand with a roofer named Jim Bates, that what she sees through a camera lens is not all there is to life. Brilliantly written, powerfully observed, *Still Life with Bread Crumbs* is a deeply moving and often very funny story of unexpected love, and a stunningly crafted journey into the life of a

motherhood to middle age, using the events of her life to illuminate ours. Considering—and celebrating—everything from marriage, girlfriends, our mothers, parenting, faith, loss, to all the stuff in our closets, and more, Quindlen says for us here what we may wish we could have said ourselves. As she did in her beloved New York Times columns, and in *A Short Guide to a Happy Life*, Quindlen uses her past, present, and future to explore what matters most to women at different ages. Quindlen talks about Marriage: “A safety net of small white lies can be the bedrock of a successful marriage. You wouldn’t believe how cheaply I can do a kitchen renovation.” Girlfriends: “Ask any woman how she makes it through the day, and she may mention her calendar, her to-do lists, her babysitter. But if you push her on how she really makes it through her day, she will mention her girlfriends.” Our bodies: “I’ve finally recognized my body for what it is: a personality-delivery system, designed expressly to carry my character from place to place, now and in the years to come.” Parenting: “Being a parent is not transactional. We do not get what we give. It is the ultimate pay-it-forward endeavor: We are good parents not so they will be loving enough to stay with us but so they will be strong enough to leave us.” Candid, funny, and moving, *Lots of Candles, Plenty of Cake* is filled with the sharp insights and revealing observations that have long confirmed Quindlen’s status as America’s laureate of real life.
