When you wish upon a star'. 'Whistle While You Work', 'The Happiest Place on Earth' - these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Disney animation, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves throughout the world. DISNEYWAR is the dramatic inside story of what drove this iconic entertainment company to civil war, told by one of America's most acclaimed journalists. Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as hundreds of pages of never-before-seen letters and memos, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years. In riveting detail, Stewart also lays bare the creative process that lies at the heart of Disney. Even as the executive suite has been engulfed in turmoil, Disney has worked - and sometimes clashed - with a glittering array of Hollywood players, many of who tell their stories here for the first time.

Documents the fierce executive battle for control of the Walt Disney Company, in an account that discusses how Michael Eisner lost his chairmanship and how the conflict reflects modern-day American capitalism and popular culture.

The dramatic inside story of the downfall of Michael Eisner—Disney Chairman and CEO—and the scandals that drove America's best-known entertainment company to civil war. "When You Wish Upon a Star," "Whistle While You Work," "The Happiest Place on Earth"—these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Walt Disney Animation and nephew of founder Walt Disney, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves through the entertainment industry, corporate boardrooms, theme parks, and living rooms around the world—everywhere Disney does business and its products are cherished. Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as thousands of pages of never-before-seen letters, memos, transcripts, and other documents, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years: What really caused the rupture with studio chairman Jeffrey Katzenberg, a man who once regarded Eisner as a father but who became his fiercest rival? How could Eisner have so misjudged Michael Ovitz, a man who was not only "the most powerful man in Hollywood" but also his friend, whom he appointed as Disney president and immediately wanted to fire? What caused the break between Eisner and Pixar chairman Steve Jobs, and why did Pixar abruptly abandon its partnership with Disney? Why did Eisner so mistrust Roy Disney that he assigned Disney company executives to spy on him? How did Eisner control the Disney board for so long, and what really happened in the fateful board meeting in September 2004, when Eisner played his last cards? DisneyWar is an enthralling tale of one of America's most powerful media and entertainment companies, the people who control it, and those trying to overthrow them. It tells a story that—in its sudden twists, vivid, larger-than-life characters, and thrilling climax—might itself have been the subject of a Disney classic—except that it's all true.

A #1 bestseller from coast to coast, Den of Thieves tells the full story of the insider-trading scandal that nearly destroyed Wall Street, the men who pulled it off, and the chase that finally brought them to justice. Pulitzer Prize-winner James B. Stewart shows for the first time how four of the eighties' biggest names on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine —created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America's most expensive lawyers to bring this powerful quartet to justice. Based on secret grand jury transcripts, interviews, and actual trading records, and containing explosive new revelations about Michael Milken and Ivan Boesky written especially for this paperback edition, Den of Thieves weaves all the facts into an unforgettable narrative—a portrait of human nature, big business, and crime of unparalleled proportions.

From Pulitzer Prize winner James B. Stewart comes the extraordinary story of American hero Rick Rescorla, Morgan Stanley security director and a veteran of Vietnam and the British colonial wars in Rhodesia, who lost his life on September 11. When Rick Rescorla got home from Vietnam, he tried to put combat and death behind him, but he never could entirely. From the day he joined the British Army to fight a colonial war in Rhodesia, where he met American Special Forces' officer Dan Hill who would become his best friend, to the day he fell in love with Susan, everything in his remarkable life was preparing him for an act of generosity that would transcend all that went before. Heart of a Soldier is a story of bravery under fire, of loyalty to one's comrades, of the miracle of finding happiness late in life. Everything about Rick's life came together on September 11. In charge of security for Morgan Stanley, he successfully got all its 2,700 men and women out of the south tower of the World Trade Center. Then, thinking perhaps of soldiers he'd held as they died, as well as the woman he loved, he went back one last time to search for stragglers. Heart of a Soldier is a story that inspires, offers hope, and helps heal even the deepest wounds.

Instant New York Times Bestseller "Important and stunning. This is must-read material if you want to understand what the Trump administration is still up to right now." --Lawrence O'Donnell There are questions that the Mueller report couldn't—or wouldn't—answer. What actually happened to instigate the Russia investigation? Did President Trump's meddling incriminate him? There's no mystery to what Trump thinks. He claims that the Deep State, a cabal of career bureaucrats—among them, Andrew McCabe, Lisa Page, and Peter Strzok, previously little known figures within the FBI whom he has obsessively and publically reviled—is concerned only with protecting its own power and undermining the democratic process. Conversely, James Comey has defended the FBI as incorruptible apolitical public servants who work tirelessly to uphold the rule of law. For the first time, bestselling author James B. Stewart sifts these conflicting accounts to present a clear-eyed view of what exactly happened inside the FBI in the lead-up to the 2016 election, drawing on scores of interviews with key FBI, Department of Justice, and White House officialsand voluminous transcripts, notes, and internal reports. In full detail, this is the dramatic saga of the FBI's simultaneous investigations of both Hillary Clinton and Donald Trump—the first time in American history the FBI has been thrust into the middle of both parties' campaigns for the presidency. Stewart shows what exactly was set in motion when Trump fired Comey, triggering the appointment of Robert Mueller as an independent special counsel and causing the FBI to open a formal investigation into the president himself. And how this unprecedented event joined in ongoing combat two vital institutions of American democracy: the presidency and the Federal Bureau of Investigation. At stake in this epic battle is the rule of law itself, the foundation of the U.S. Constitution. There is no room for compromise, but plenty for collateral damage. The reputations of both sides have already been harmed, perhaps irrevocably, and at great cost to American democracy. Deep State goes beyond the limits of the legally constrained Mueller report, showing how the president's obsession with the idea of a conspiracy against him is still upending lives and sending shockwaves through both the FBI and the Department of Justice. In this world-historical struggle—Trump versus intelligence agencies—Stewart shows us in rare style what's real and what matters now. And for the looming 2020 election.

An indispensable guide to nonfiction writing from the Columbia Journalism School professor and Pulitzer Prize-winning journalist behind the bestsellers Blind Eye, Blood Sport, and Den of Thieves. In Follow the Story, bestselling author and journalist James B. Stewart teaches you the techniques of compelling narrative writing, from nonfiction books to articles, feature stories, or memoirs. Stewart provides concrete directions for conceiving, reporting, structuring, and writing nonfiction—techniques that he has used in his own successful books and stories. By using examples from his own work, Stewart illustrates systematically a way of thinking about and executing stories, a method that has helped numerous reporters and Columbia students become better writers. Follow the Story examines in detail: How an idea is conceived How to "sell" ideas to editors and publishers How to report the nonfiction story Six models that can be used for any nonfiction story How to structure the narrative story How to write introductions, endings, dialogue, and description How to introduce and develop characters How to use literary devices Pitfalls to avoid Learn from this book a clear way of looking at the world with the alert curiosity that is the first indispensable step toward good writing.

A medical thriller from Pulitzer Prize-winning author James B. Stewart about serial killer doctor Michael Swango and the medical community that chose to turn a blind eye on his criminal activities. No one could believe that the handsome young doctor might be a serial killer. Wherever he was hired—in Ohio, Illinois, New York, South Dakota—Michael Swango at first seemed the model physician. Then his patients began dying under suspicious circumstances. At once a gripping read and a hard-hitting look at the inner workings of the American medical system, Blind Eye describes a professional hierarchy where doctors repeatedly accept the word of fellow physicians over that of nurses, hospital employees, and patients—even as horrible truths begin to emerge. With the prodigious investigative reporting that has defined his Pulitzer Prize-winning career, James B. Stewart has tracked down survivors, relatives of victims, and shaken coworkers to unearth the evidence that may finally lead to Swango's conviction. Combining meticulous research with spellbinding prose, Stewart has written a shocking chronicle of a psychopathic doctor and of the medical establishment that chose to turn a blind eye on his criminal activities.

The Pulitzer Prize-winning author of Den of Thieves discusses the truth about Whitewater, Vince Foster's suicide, and other White House scandals, explaining how such episodes have been exploited, White House reactions, and the future of the presidency. Reprint.

A lawyer and journalist dissects the personalities and power of the nation's elite corporate law firms and traces their roles in pivotal political and economic events, such as the rescue of the American hostages in Iran
