Margolis, neighborhood punching bag, growing up goofy and mostly fatherless in Brooklyn in the early 1940s. A boy looking for a hero, Joey decides to latch on to Charlie Banks, the all-star third baseman for the New York Giants. But Joey's chosen champion doesn't exactly welcome the extreme attention of a persistent young fan with an overactive imagination. Then again, this strange, needy kid might be exactly what Banks needs.

A contemporary American classic—a poignant and hilarious tale of baseball, hero worship, eccentric behavior, and unlikely friendship Last Days of Summer is the story of Joey Margolis, neighborhood punching bag, growing up goofy and mostly fatherless in Brooklyn in the early 1940s. A boy looking for a hero, Joey decides to latch on to Charlie Banks, the all-star third basemen for the New York Giants. But Joey's chosen champion doesn't exactly welcome the extreme attention of a persistent young fan with an overactive imagination. crush on a boy. It's not so clear to him, but to his family and friends, it's totally obvious! Told in alternating perspectives, this is the hilarious and touching story of their most excellent year, where these three friends discover love, themselves, and how a little magic and Mary Poppins can go a long way.

When an all-star baseball pitcher Scotty Mackay is teamed up with a catcher he detests, it looks as if a major disaster is on the horizon. Pretty-boy Jason Cornell has lots of teeth, poses for underwear ads, and has blue eyes...and Scotty's favourite colour is blue. By mid-season, Scotty's got a major problem on his hands but will Jason be the one to resolve it?

The novel that inspired the film starring James Franco and Seth Rogen: "One of a kind . . . a funny, unnervingly surreal page turner" (Newsweek). Named one of the Best Books of the Year by the Washington Post Book World, Newsweek, and the Los Angeles Times Book Review Zeroville centers on the story of Vikar, a young architecture student so enthralled with the movies that his friends call him "cinéautistic." With an intensely religious childhood behind him, and tattoos of Elizabeth Taylor and Montgomery Clift on his head, he arrives in Hollywood—where he's mistaken for a member of the Manson family and eventually scores a job as a film editor.

Vikar discovers the frames of a secret film within the reels of every movie ever made, and sets about splicing them together—a task that takes on frightening theological dimensions. Electrifying and “darkly funny,” Zeroville dives into the renegade American cinema of the 1970s and '80s and emerges into an era for which we have no name (Publishers Weekly). “Funny, disturbing, daring . . . dreamlike and sometimes nightmarish.” —The New York Times Book Review “Magnificent.” —The Believer “[A] writer who has been compared to Vladimir Nabokov, Don DeLillo, and Thomas Pynchon.” —Bookmarks Magazine “Erickson is as unique and vital and pure a voice as American fiction has produced.” —Jonathan Lethem

A high school jock and nerd fall in love senior year, only to part after an amazing summer of discovery to attend their respective colleges. They keep in touch at first, but then slowly drift apart. Flash forward twenty years. Travis and Craig both have great lives, careers, and loves. But something is missing Travis is the first to figure it out. He's still in love with Craig, and come what may, he's going after the boy who captured his heart, even if it means forsaking his job, making a fool of himself, and entering the great unknown. Told in narrative, letters, checklists, and more, this is the must-read novel for anyone who's wondered what ever happened to that first

great love.

On the evening of March 28, 1956, Steve Garvey's father, a Greyhound bus driver in the Tampa Bay area, asked his young son if he'd like to accompany him as he drove the Brooklyn Dodgers to a spring-training game with the New York Yankees. For Garvey, a baseball card collector and an aspiring Little Leaguer, the opportunity stretched beyond his wildest imagination and marked the beginning of a legendary career and life in baseball. Garvey spent five years (1956-1961) as a bat boy, mostly for the Brooklyn Dodgers and briefly for the New York Yankees and the Detroit Tigers. The fact that he would go on to become a first baseman with the Los Angeles Dodgers, and one of the most successful players of his era, is like something out of a Hollywood script. My Bat Boy Days is his moving collection of indelible memories, fascinating profiles, and lessons learned -- about the game and about life -- from heroes such as Jackie Robinson, Sandy Koufax, and Mickey Mantle. My Bat Boy Days is for the generation of fans who remember the Boys of Summer and for the generation who grew up watching Steve Garvey play for the love of the game. Garvey's story is perfect for sharing with children and grandchildren who are just now getting to know and love the game.

The untold story of life on the road with the

Grateful Dead, written by an insider who lived it from the early days to today. Steve Parish was never one to walk the straight-and-narrow, even during his childhood growing up in Flushing Meadow, Queens. Busted as a teenager for selling acid in the summer of 1968, Parish landed in Riker's Island. The experience changed him and after getting out he did his best to stay out of trouble, securing a job moving music equipment at the New York State Pavilion. The first show he worked was a Grateful Dead concert in July of 1969 and Parish was captivated by the music. A life seemingly headed nowhere had suddenly found its calling as he fell in quickly with a band of likeminded misfits who formed the nucleus of what would be the greatest road crew in rock 'n' roll history. Parish traveled to California where his apprenticeship began. Working for the band for free and learning his craft, Parish got to know Jerry, Bobby, Phil, Billy and Mickey and through the years their relationships forged an unbreakable bond. He became very close with Garcia in particular, acting as his personal roadie and later manager for his solo performances and Garcia Band shows. He was there during times of trouble (like when a pimp held Garcia hostage at gunpoint in a New York hotel room), spending hours by his bedside when Garcia was in a coma in 1986, and performing the duties of best man at his wedding. He was also the last friend to see Garcia alive. Throughout the Dead's historic

run, there were parties of biblical proportion and celebrity run-ins with everybody from Bob Dylan to Frank Sinatra--but there was a dark side to life on the road and tragedy didn't just strike the musicians. But Home Before Daylight is a story of friendship, of music and redemption. It is a piece of music history, one that reflects the American spirit of adventure and brotherhood. Seen through Steve Parish's eyes and experiences, The Grateful Dead's wild ride has never been so revealing.

When you're sixteen and no one understands who you are, sometimes the only choice left is to run. If you're lucky, you find a place that accepts you, no questions asked. And if you're really lucky, that place has a drum set, a place to practice, and a place to sleep. For Kid, the streets of Greenpoint, Brooklyn, are that place. Over the course of two scorching summers, Kid falls hopelessly in love and then loses nearly everything and everyone worth caring about. But as summer draws to a close, Kid finally finds someone who can last beyond the sunset. Brooklyn, Burning is a fearless and unconventional love story. Brezenoff never identifies the gender of his two main characters, and readers will draw their own conclusions about Kid and Scout. Whatever they decide, Brooklyn, Burning is not a book any teen reader will

soon forget. Brooklyn, Burning is the story of two summers in Brooklyn, two summers of fires, music, loss, and ultimately, love.
