reduce binge eating, and help you feel
better. This article explains...

~~Mindful Eating 101 - A Beginner's Guide~~

A 2013 study found that people who
implemented mindful eating into their
lives ate smaller portions, which can be
helpful for those trying to lose weight,

Access Free Mindful Eating A Healthy Balanced And

follow a fitness regime, or maintain a nutritional balance (though this doesn't mean mindful eating necessitates small portions – as always, eat whatever size meal is right for your body).

~~Mindful Eating – Headspace~~

If you eat a healthy balance of protein,

Access Free Mindful Eating A Healthy Balanced And

carbs and fats and make sure you get plenty of vitamins and minerals (from eating a varied diet!), you'll benefit from better quality sleep, helping you wake up feeling more refreshed and energised.
