—Part 2 Mixed Conditionals Mixed Conditionals Exercise English Grammar

A mixed conditional is a combination of second and third conditionals. Mixed third/second conditional We use this combination to talk about a hypothetical condition happening in the past (third conditional) with a present result (second conditional). We use past perfect in the if clause and would/could/might + infinitive in the main clause.

Conditional sentences - Grammar Exercises - Learning English

In the first sentence, we use the third conditional - a past possible action with the past result. In the second sentence however, we use a mixed third and second conditional to describe a past possible action (third conditional) with a present result (second conditional). Look at these other possible situations:
