## Goonhammer

There are many ways to paint 28mm figures.

Many people paint the clothing with a dark shade then the main colour and then a highlight colour.

For wargaming, where you want to get reasonably good results

# Download Ebook Paint

quickly, it is easier to paint only the main colours and then add shade with a wash of dark transparent stain.

Gouache is a type of paint that is considered to sit somewhere between watercolour and acrylic, with features of both and its own distinct style. First created in the 16 th century, Gouache

# Download Ebook Paint

was one of the first painting mediums ever made, but it wasn't produced industrially until the 19 th century. Then it was mixed with a dextrin binder and sold as a poster paint – appealing to young children rather than serious artists.
