Get ready to air out your hip bones, people! Well, maybe—and only if you want to. The return of low-rise jeans has been circling for some time now, and making a full-fledged landing in mass retailers seems more a matter of " when " than " if. " Because we all know how the fashion industry loves a comeback. (See: Tiny sunglasses! Choker ...

You ' ve Got Mail meets Julie & Julia in the new foodie fiction from the author of Recipe for Disaster. Top pastry chef Sophie Bernstein and her sommelier fiancé were set to have Chicago ' s culinary wedding of the year...until the groom eloped with someone else in a very public debacle, leaving Sophie splashed across the tabloids—fifty grand in debt on her dream wedding and one-hundred percent screwed on her dream life. The icing on the cake was when she lost her job and her home... Laying low, Sophie moves in with her grandmother, Bubbles. That way, she can keep Bubbles and her sweater-wearing pug company and nurse her broken heart. But when Sophie gets a part-time job at the old-fashioned neighborhood bakery, she finds herself up to her elbows in dough and reluctantly giving a wedding cake customer advice on everything from gift bags to guest accommodations. Before she knows it, she ' s an online wedding planner. It ' s not mousse and macarons, but it pays the bills. But with the arrival of unexpected personal and professional twists, Sophie wonders if she ' s really moving forward—or starting over from scratch... Includes Recipes

Whether you realize it or not, you play a part in the divine plan of creation. Once you recognize this, you can gain access to the immense power in the universe. It ' s simple: when you engage the right celestial helpers, anything becomes possible. In Hiring the Heavens, Jean Slatter shares how she learned to hire the Heavens and offers a fresh, revitalized way of bringing spirituality back into your everyday life. Whether the task is large or small, whether you want to manifest your dreams, find a soul mate, improve your finances, or simply get through your days without stress and worry, the Heavens are ready to help. With their assistance, you become cocreator and codirector of your life, experiencing more joy and more serendipity every day.

The year is 2045 and a warrior battles to save America from an Islamic mastermind in this smart and violent futuristic thriller from New York Times bestselling author Robert Ferrigno. Time is running out for the Islamic Republic and the Bible Belt, the two warring nations that arose when the former United States split apart after an economic collapse left tens of millions unemployed and desperate for leadership. Weakened by their endless conflict, both countries are now threatened by the expansionist dreams of the Aztl á n Empire (formerly known as Mexico) to the south, which has steadily encroached deep into the regions once called California, Arizona, New Mexico, and Texas. Riven by intellectual and social decay, both the Islamic Republic and the Belt are at the brink of collapse. The only solution is to reunite the countries and regain America's former power and global standing. And there's only one man who can do it: Rakkim Epps, genetically enhanced shadow warrior and hero of the two previous books in Robert Ferrigno's astonishing Assassin Trilogy. Time is also running out for Epps's archenemy, the Old One, the sly, immensely rich Muslim fanatic who seeks to create one world under his domination. Now more than one hundred and fifty years old, he is dying and unhappily knows it. His solution is to reunite the Islamic Republic and the Bible Belt his way, and his plan involves his voluptuous but deadly daughter, Baby, and none other than Rakkim himself. The Old One is aided by his sadistic, carbon-skinned enforcer, Gravenholtz, whom Rakkim failed to kill in an earlier encounter and who now wishes to kill Rakkim and those he loves. Meanwhile, there is a rumor of a discovery of a sacred relic in the contaminated ruins of Washington, D.C., a radiation zone peopled by diseased zombies and daring treasure hunters. It is into this deadly wasteland that Rakkim must secretly travel and retrieve the icon if he is to defeat Gravenholtz, Baby, and the Old One, and have even a chance to unite the two halves of America. A stunning stand-alone read, Heart of the Assassin is a feast of cinematic violence, brilliant plotting, and futuristic scene-setting. Completing Ferrigno's Assassin Trilogy, Heart of the Assassin confirms his position as a master of thriller fiction.

A party in the Hollywood Hills.A perfectly timed smoke break.A chance encounter.From the moment I laid eyes on Judah Colt, I knew I was screwed.He was a whirlwind of emotions, a disastrous tornado of need,while I was only searching fora taste of reckless abandon and a chance to let go.What I got was almost more than I could handle.In the blink of an eye, I was no longer just a fan,a girl with an obsession, but instead I becamea necessity--to the music, to the fans, to Judah himself.Together, we were a chaotic mess of feelings, fears, and attitudes,but apart it all got worse.Neither of us were ready for love--especially not the kindwe found--but once we started...there was no going back.We are Phoenix and Judah.Nix and Jude.Baby Bird and her Skyscraper.Me and my twin flame.NOTE FROM THE AUTHOR: This is a work of fictionwith mature themes such as emotional trauma, drug use,strong language, infidelity, and suicide references. It is notrecommended for anyone under the age of 18.

An NPR Favorite Book of 2019 A New York Times Best Children ' s book of 2019 A Kirkus Reviews Best Picture Book of 2019 A School Library Journal Best Picture Book of 2019 "An enchanting tale of bravery, heroism, and undying devotion." —The New York Times Book Review After his best friend Sarah leaves for her first day of school, a tortoise named Truman goes on an adventure across the living room and learns to be brave in this thoughtful and heartwarming twist on a first experience story. Truman the tortoise lives with his Sarah, high above the taxis and the trash trucks and the number eleven bus, which travels south. He never worries about the world below...until one day, when Sarah straps on a big backpack and does something Truman has never seen before. She boards the bus! Truman waits for her to return. He waits. And waits. And waits. And when he can wait no longer, he knows what he must do. Even if it seems...impossible!

Esouse: (v.) to take in marriage; to make a marriage permanent by court decree; the court-approved process by which couples may stay together beyond the legal 15-year term There is no such thing as divorce. Fifteen years is the legal life cycle of a marriage. If a couple wants to stay married, they must hire a lawyer and petition the court to become espoused. After 14 years of marriage, Sara and Thomas Healy are still in love. Their decision to go to court to be espoused permanently is a source of great embarrassment for their children. Avery is ready for the benefits of uncoupling, and Sam really doesn't need the social stigma of parents who decide to stay together, on top of everything else. Lame! Their espouse attorney, Gwen Stevens, has other problems. The judge for the Healy case is her nemesis, Carly Abraham, also known as "the Wicked Witch of the Bench." Judge Abraham was previously married to Gwen's husband Dennis, from whom she uncoupled after the allotted 15 years. She hates espouse lawyers on principle and seems to have an extra dose of dislike for Gwen personally. While the Healys struggle through the espouse experience-trial separation, uncouple counseling, and ongoing financial burdens-Gwen has to deal with the judge and her own struggles at home. In this fight for love, who has the answers?

Explains how to help your teacher get ready for events in the school year.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

From the bestselling author of Searching for Sylvie Lee and Girl in Translation, a novel about a young woman torn between her family duties in Chinatown and her escape into the world of ballroom dancing. Twenty-two-year-old Charlie Wong grew up in New York ' s Chinatown, the older daughter of a Beijing ballerina and a noodle maker. Though an ABC (America-born Chinese), Charlie ' s entire world has been limited to this small area. Now grown, she lives in the same tiny apartment with her widower father and her eleven-year-old sister, and works—miserably—as a dishwasher. But when she lands a job as a receptionist at a ballroom dance studio, Charlie gains access to a world she hardly knew existed, and everything she once took to be certain turns upside down. Gradually, at the dance studio, awkward Charlie ' s natural talents begin to emerge. With them, her perspective, expectations, and sense of self are transformed—something she must take great pains to hide from her father and his suspicion of all things Western. As Charlie blossoms, though, her sister becomes chronically ill. As Pa insists on treating his ailing child exclusively with Eastern practices to no avail, Charlie is forced to try to reconcile her two selves and her two worlds—Eastern and Western, old world and new—to rescue her little sister without sacrificing her newfound confidence and identity.
