TRUST – verb: to believe in the reliability, truth, or strength of another. Up until now, Logan Mitchell has never had much of a reason to trust anyone. Having struggled with a self-identity crisis throughout college, he's spent the years since then creating a sophisticated facade to present to the world. It's an armor he thought was impenetrable—until he met Tate Morrison. The gorgeous, headstrong bartender he'd sat across from only months ago has taken a tight hold of his heart, and Logan is discovering that it's time to let go. It's time to let someone inside. After years of placing his dreams on hold for his family, Tate has finally chosen to do what makes him happy and follow his heart. The one thing he never would've imagined was that it would lead him into the arms of a man—and not just any man—the striking, never-takes-no-for-an-answer Logan Mitchell. Tate has fallen hard, and as his world is turned on its axis and they move forward together, he finds his life becoming more entwined with the confident, successful lawyer. Even though neither man expected the

other, it's time to trust in their relationship—but not everything comes so easily...

Fans of M/M romances will love this story about a playboy who doesn't do relationships and a bachelor who doesn't do guys.

Try – verb: to make an attempt or effort to do something or in this case...someone. Sex. Logan Mitchell loves it, and ever since he realized his raw sexual appeal at a young age, he has had no problem using it to his advantage. Men and women alike fall into his bed—after all, Logan is not one to discriminate. He lives by one motto—if something interests you, why not just take a chance and try? And he wants to try Tate Morrison. Just coming out of a four-year marriage with an ex-wife from hell, a relationship is the last thing on Tate's mind. He's starting fresh and trying to get back on his feet with a new job at an upscale bar in downtown Chicago. The only problem is, Tate has caught the unwavering and unwelcome attention of Mr. Logan Mitchell—a regular at the bar and a man who always gets what he wants. Night after night Tate fends off the persistent advances of the undeniably charismatic man, but after an explosive moment in the bar, all bets are off as he finds his body stirring with a different desire than his mind. As arrogance, stubbornness and sexual tension sizzle between the two, it threatens to change the very course of their lives. Logan doesn't do relationships. Tate doesn't do men. But what would happen if they both just gave in and...tried?

TAKE – verb: to reach for and hold in one's hands or get into one's possession, power or control. Logan Mitchell is a man who's always been more than happy to take what he wants. It's a philosophy that's proven lucrative in both his business and personal life, and never was it more apparent than the night he laid eyes on Tate Morrison. After pulling out all the stops and convincing the sexy bartender to give him a try—he's hooked. Now, Logan finds himself in a predicament that demands more from him than a smart-ass answer and his innate ability to walk away when things get too deep. He has a choice to make, and it'll force him to do something he's never done before—take a chance. Tate Morrison knows all about taking a chance. He took the biggest one of his life the night he showed up at Logan's apartment to explore his unexpected reaction to the man. Ever since then, he's thought about little else. At first he was convinced his attraction was based solely on his body's curiosity. But the more time he spends with the silver-tongued lawyer, the more Tate realizes that their physical chemistry is only the beginning. He's starting to catch a glimpse of what life with Logan would be like, and it's one full of excitement and satisfaction—a far cry from what he had in the past with his soon to be ex-wife. Each man will face their fears as they begin to understand the true meaning of give and take. Their feelings for one another will be tested, as will their very beliefs. But now that they've found love where they least expected it, will they be brave enough to reach out and take it?

Tease - verb: to tantalize especially by arousing desire or curiosity often without intending to satisfy it....unless your name is Tate Morrison. It's been four years since Logan Mitchell walked into Tate's life and irrevocably changed it. Four years since the sexy as sin lawyer dared him to try, and four years since Tate won his love. Now, as they approach the next chapter of their lives Logan is determined they won't end up like many of their friends. Settled. Domestic. Boring. However, that's easier said than done. With busy careers and working odd hours, finding time for one another is becoming increasingly difficult. But that sh*t isn't going to fly with Logan or Tate. The two of them are determined to compromise to get what it is they want, and what they want is each other. Tease is the sexy, tantalizing continuation of the two men who stole your heart...and popped your cherry.

My name isn't Logan Mitchell, but Marcus St. James doesn't know that...When I showed up at my roommate's work party, the last thing I expected was to find a man straight out of my dreams. But when the crowd parted and the fates aligned, there he was, waiting for me. Marcus St. James, president of ENN WorldWide News. Sexy and powerful, with a stare that could freeze you in place, Marcus was the perfect reward for securing a job at Mitchell & Madison, the best law firm in Chicago. To play with the big fish, however, one must become a big fish, and that's where my little white lie began.It was one night. I was never going to see him again, and from the second we spoke, I knew he was interested. It was there in his eyes, the same fire in my veins. It was there in his voice, whenever he said my name. The only problem? It wasn't my name, and now I wanted more-much more. But how can anything good come out of something that started with such bad intentions?Bad Intentions is the first book in the Intentions Duet.

Obsession, defined as the domination of one's thoughts or feelings by a persistent idea, image or desire... Chantel Rosenberg's passion for music and life had never shone brighter than the time she spent in Bordeaux France. It's a time when feelings arose and desires ran deep, a time that fundamentally changed her life. A man living in seclusion, Phillipe Tibideau is haunted and plagued by memories he cannot disregard. Choosing to live a quiet life in his Chateau surrounded by the vineyards of France, he's left his passion for art behind. However, the time has arrived to tell his side of a tale. A tale that has depicted him as a "beautiful monster" and he's finally allowing someone close. Close enough to ask questions. Questions he's not sure he wants to answer. Questions about her. For up-and-coming journalist Gemma Harris, the pursuit of truth is what drives her, and when a job of a lifetime presents itself there is nothing in the world that will stop her from taking it. Even if it does mean leaving her home for several months to stay at Chateau Tibideau, with him. This is a story of what happens when three passionate lovers collide and the desire for truth, art, and music merge. Chateau Tibideau is a place full of unanswered questions, dark sinful desire, and a beauty so hauntingly sad it will have you wondering how you will ever leave the same...

Relationships are complex.Love ever-changing.And when it comes to rules of the heart, they were made to be broken...That's what Robert Antonio Bianchi was telling himself, anyway. Otherwise, he really had no excuse for what-or who-he'd done. No excuse, except for his lonely heart, a pitcher of margaritas, four Bitter Bitches, and the apparent need to confess all his weaknesses to the two men he knew would bring him nothing but trouble.But trouble was nothing new. Just ask his crazy sisters or any of his friends, and they'd be the first to tell you: If there was a bad decision to be made, Robbie always had a knack for making it. And thus begins the story of the priest, the princess, and the prick.
