Ok I broke out my old

uniden sportcat 150 ,

because I finally bought a

new battery for it. I have

three (I think) SC180B

scanners. (The "B" means

that the case is black.)

Because I bought them

on closeout at Best Buy,

various parts were not

included - sometimes

there would be no

owner's manual, and  
sometimes no wall wart.

It's in excellent shape and comes with a fairly new battery and charger. I cannot seem to find the box, but you can search for the PDF manual
